**EPIPHANY OF THE LORD**

Sunday, January 3rd, 2010

**REFLECTION:** The feast of the Epiphany is a revolutionary feast. Christ is revealed as the Savior, not of a select group of people, but of all peoples. Jesus broke down the great barrier that existed between Jews and Gentiles. In fact, all barriers are transcended by the message of Jesus.

The Epiphany is a beautiful feast because it brings everybody together. 'All now share in the same inheritance; they are part of the same body.' That doesn't mean these barriers have magically disappeared. Wherever we go today we see divisions among people, in families, communities, cities, countries. These divisions are often reflections of our separation from God.

God sent Jesus into the world to reconcile people with him and with one another. Christ's light was not lit once in Bethlehem and then extinguished. For two thousand years his light has shone. It continues to shine for all who believe in him and follow him. The light of Christ is persistent and has the power to draw people to its shining. It shines in the midst of disasters and upheavals. No darkness can overpower it as it shows us the way to the Father's kingdom. We must live as children of the light. Let us imitate the Wise Men and walk in the light of the Lord !
